

ARE SURVEYING A TOWNSITE AT SALSBUARY WASH

DAME RUMOR HAS IT THAT
HIGH GRADE LEDGE HAS
BEEN FOUND.

For the past two weeks many rumors have been afloat concerning the mining district in the vicinity of Salsbury Wash. Reports have been received in Tonopah stating that a surface ledge had been found containing values running up in the thousands.

A large number of people from this city have visited the district during the last week, but all returned stating that they were unable to visit the ledge as the owners of the property evinced no desire to exploit their property. The entire district is practically owned by the Nays and Cliffords, and over 1000 claims have been recorded with the district recorder.

Notwithstanding the conflicting reports, it is understood that the ledge really exists, and that preparations have been going on quietly for some time past toward the development of the property. The discovery was made by Mrs. Joe Nay.

While the authentic facts of the district are hard to obtain, it is believed and has been stated by those in a position to know, that the district has several rich veins, but the matter is kept from the public as the owners have no desire to cause a rush. The territory has been located for about six square miles, and during the last few days surveyors have been engaged in surveying a townsite.

The latest authentic reports place the quartz running as high as \$30.000 to the ton. It is said the rush will be on inside of a week.

RECEIVER HALL OF NYE & ORMSBY TAKES CHARGE

ARRIVES FROM NORTH SUNDAY
TO EXAMINE AFFAIRS OF
CLOSED BANK.

George Hall, who was appointed receiver of the defunct Nye and Ormsby County bank, by Judge Langan, after Judge Averill of the fifth judicial district had made previous appointments, and who was sustained in the position by the decision of the supreme court, arrived Sunday from the north accompanied by former President Frank Golden.

When asked concerning the bank situation Mr. Hall stated to a Bonanza representative that as yet he had only made examinations of the Reno, Carson and Wonder branches and the object of his visit was to look into the branches at Tonopah, Goldfield and Manhattan.

"It is my belief," said Mr. Hall, "that the statement issued by the officials of the institution at the time of the closing, is correct. That is concerning the liabilities and securities. However, my examination has not been completed and consequently I am unable to state the true condition of the affairs."

"Do you believe the bank will pay dollar for dollar?" was asked Mr. Hall.

"That I am unable to determine owing to the incomplete examination," he replied. "As soon as I finish going over the books of the Tonopah institution, I will leave for Goldfield and from there will continue to Manhattan. I expect to have the investigation completed within the next few weeks."

INTERESTING DATA.

The Bonanza is in receipt of Bulletin No. 308, issued by the department of the interior, and is titled "A Geologic Reconnaissance in Southwestern Nevada and Eastern California." The book contains valuable data to both the prospector and mining men and special reference is made to the geological conditions existing around Tonopah.

WILL INSURE THE SAFE RETURN OF SPECIMENS

COMMITTEE HAVING CHARGE
OF MINERAL EXHIBIT
HOLD MEETING.

A meeting was held last evening of the committee named by Governor Dickerson to take charge of gathering the mineral exhibit of the state which will be displayed at the mining congress at Goldfield. The committee is composed of Milton Detch and T. D. Murphy of Goldfield and H. C. Schmidt of Tonopah. At the meeting Mr. Murphy was elected chairman and Mr. Detch secretary. The naming of the party to have charge of the exhibit was postponed, but it was decided that whoever is named must qualify with \$20,000 bonds. This was done to insure the safe return of the contributions for the exhibition, as many handsome and valuable cabinets will be loaned for the same. The committee will hold other meetings later for the purpose of arranging the minor details.

Both the gentlemen from Goldfield came over yesterday afternoon for the purpose of holding the meeting.

WILL TESTIFY IN THE RAWHIDE GRAFT CASES

WITNESSES PASS THROUGH TONOPAH ENROUTE TO GOLD-FIELD.

The county officials and citizens of Rawhide, who were summoned to appear before the Esmeralda county grand jury passed through Tonopah on yesterday morning's train enroute to Goldfield, in obedience of the order of the court. They will testify as to the graft proceedings that have been going on in Rawhide for some time.

TRACK TEAM OF HIGH SCHOOL RETURNS HOME

PARTICIPANTS IN STATE ACADEMIC FIELD MEET ARRIVE YESTERDAY.

Prof. C. Schoer, Jr., Walter Bowler, Bernard Flood and Percy Wiley returned yesterday morning from Reno where they attended the academic field meet. The Tonopah team secured one point in the meet, this being won by Flood, who secured third place in the mile race. This is the first year that Tonopah has competed in the meet, and the showing, as small as it was, surpassed three other high schools. Miss Della Gilbert, who was a participant in the declamation contest, also returned yesterday morning.

A NEAT SUM IS REALIZED BY BENEFIT DANCE

LARGE CROWD ATTENDS FAIR AT MINERS' HALL LAST NIGHT.

The dance given last evening at the Miners' Exchange hall, the proceeds of which are to be used in the repairing of the graveyard, was largely attended and a neat sum realized for the good work. The hall was donated by Messrs. Church and Flood, while the orchestra made donations from their salary. A general good time was enjoyed by all those present for the committee having charge of the affair had left nothing undone in the way of making the evening a pleasant one.

MANHATTAN IS ACQUIRING THE VAGRANT HABIT

MAKES CONTRIBUTION TO PERSONNEL OF THE NYE COUNTY BASTILE.

T. T. Deal, of Manhattan, who drew a gun on Deputy Sheriff Lester Bell, was brought in from the placer camp Sunday and appeared yesterday in Judge Atkinson's court. He was promptly fined the sum of \$155, which it is thought will break Deal of the gun habit in the future.

John Martin, who was also arrested in Manhattan several days ago on the charge of carrying concealed weapons, was up before Judge Atkinson and was fined \$55. The authorities are trying to break the Manhattan residents of carrying concealed weapons and with the two doses meted out yesterday it appears as if they will succeed.

Deputy Sheriff Vail Pittman, who brought Deal and Martin to Tonopah, also brought to the county jail here two prisoners who had been sentenced to six months' confinement for vagrancy by the Manhattan court.

STANDING ROOM AT A PREMIUM AT THE BUTLER

RETURN ENGAGEMENT OF THE ALLEN CURTIS COMPANY DRAWS FULL HOUSE.

"The Time, the Place and the Girl" at the Butler last evening proved to be the best yet presented by the Allen Curtis Musical Comedy company. The first night of their return engagement was marked by a crowded house with standing room at a premium.

Every song and specialty on the program was good and was appreciated by the audience. Little Winnifred Green received her share of the applause and deserved it. Her singing was good and the accompaniment by the chorus was excellent. The play will be repeated again tonight.
